## Company Profile

Proclean, a division of the Reward Distribution Group, have been operating in New Zealand since the early 1970's. As established market leaders in the distribution and provision of hygiene systems, they proudly offer a full range of chemicals, products and solutions.

Proclean's focus is on manufacturing, importing, distributing, wholesaling and retailing cleaning chemicals together with supplying equipment and consumables to the Commercial, Institutional, Hospitality and Janitorial sectors.

The head office of Proclean is situated in Auckland with branches located in Hamilton, Wellington and Christchurch. Proclean also has a strong distribution network that reaches every corner of the country.

Catering for the varying needs of a diverse client base, Proclean provides tailor made solutions for domestic customers as well as multi-national corporations. By continually striving to strengthen relationships with strategic suppliers, Proclean is able to provide the largest and most cost effective range of products available in New Zealand. Compliance with Workplace Health and Safety obligations forms an integral part of Proclean's policy.

**Local Service, National Strength.** Proclean welcomes you aboard.

This catalogue lists the core range of specialised chemical systems and consumables available. With added expertise in the Hospitality industry, customers are assured of incomparable service from Proclean's customer service professionals and Account Managers. If there is a product you require that is not listed within these pages, simply contact Proclean and ask for their assistance.

## What The Symbols Mean

This icon represents our own quality New Zealand manufactured product range. This is a concentrated colour coded system, supported by pictograms and numbering systems for easy identification.

This icon represents our Cleantec range of concentrates. This is supported by colour coding, wall charts and screen printed bottles to assist with compliance.

This icon represents the Essential Industries range of floor care products. "The most complete and technologically advanced floor care line in the world" - [www.essind.com](http://www.essind.com)

Corrosive liquid. DG Class 8 product. Please note that DG classes can clash which may lead to delayed shipping time.

Flammable liquid. DG Class 3 product. Please note that DG classes can clash which may lead to delayed shipping time.

Agriquality approved product. These products fall under different approval codes that are specified in the description. Details of these can be found on the NZFSA website. [www.nzfsa.govt.nz](http://www.nzfsa.govt.nz)

## Presentation Products

These presentation products will enhance, protect and restore surfaces such as timber, plastic, stainless steel and brass.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CDJF2	Buffup	5L	4	0.03	20

Buffup is an oil based furniture polish designed to add lustre to most timber. It is non-oily and leaves a long lasting finish.

CDJF1	Sheen	5L	4	0.03	20
-------	-------	----	---	------	----

Sheen is a silicone cream furniture polish designed to restore and enrich timber, formica, plastic and painted surfaces. Removes dirt and conceals marks.

16498	Furniture & Vinyl Restorer	5L	2	0.02	10
-------	----------------------------	----	---	------	----

Furniture & Vinyl Restorer cleans dusts and protects. It imparts a fresh lemon fragrance, is non-irritating and dries instantly to a high gloss, streak-free finish.

NPO300	Neopol	300ml	12	0.02	3.6
--------	--------	-------	----	------	-----

Neopol is an easy to apply all purpose crème polish, which will provide a rich durable finish on wood, laminates, whiteware, plastic, leather, vinyl and fibreglass. It cleans, restores, nourishes and protects.

TFPL	Tonizone Furniture Polish	400g	12	0.02	4.8
------	---------------------------	------	----	------	-----

DL739168	Pledge	500g	12	0.02	6
----------	--------	------	----	------	---

630047	Dot's Furniture Polish	200g	12	0.02	2.4
--------	------------------------	------	----	------	-----

Convenient aerosol polishes for timber, plastic and other hard surfaces. Will shine and protect.

16500	Steelcoat	5L	2	0.02	10
-------	-----------	----	---	------	----

Steelcoat protects and enhances stainless steel surfaces indoor and out. Excellent for marine applications as it will not harm fibreglass. Formulated for elevators, statues, wall plaques, brass or steel fittings where a high sheen protective finish is desired. Available in 750ml trigger or 5 litres.

TSSP	Tonizone Stainless Steel Polish	400g	12	0.02	4.8
------	---------------------------------	------	----	------	-----

3MSSC	3M Stainless Steel Polish	600g	12	0.02	7.2
-------	---------------------------	------	----	------	-----

Convenient aerosol polish for stainless steel, brass and other metals. Will shine and protect.

BRASS	Brasso	250ml	12	0.01	3
-------	--------	-------	----	------	---

BB250	Brass Brite	250ml	12	0.01	3
-------	-------------	-------	----	------	---

Designed to beautify and protect brass and copper.

## Hard Surface Cleaners

These cleaners will shift difficult soils from hard surfaces quickly, easily and safely. There is a product to suit all applications.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CCC905	Cleaner 90	5L	4	0.03	20

A powerful ammoniated detergent cleaner for heavily soiled areas and bathrooms. It is a yellow liquid. Available in 5 or 20 litres.

CCP25	Plus 2	5L	4	0.03	20
-------	--------	----	---	------	----

Plus 2 is a ready-to-use all purpose spray & wipe which contains powerful surfactants. It is excellent for removing mildew, tobacco stains, grease and general soils. It is a yellow liquid. Available in 5, 20 or 200 litres.

17826	Natureclean	5L	2	0.02	10
-------	-------------	----	---	------	----

Natureclean is a revolutionary cleaner that is tough on soils and kind to the operators and environment. It is a safe and effective neutral pH cleaner and is a blue liquid. Agriquality approved under code C 32. Available in 5 or 15 litres.

16552	New Ease	5L	2	0.02	10
-------	----------	----	---	------	----

New Ease is a solvent based hard surface cleaner formulated to remove the toughest soils. Economical and effective in dirty and difficult to clean areas. It is a blue liquid.

## Window & Glass Cleaners

Economical, streak free finishes are quick and easy with these versatile hard surface cleaners – Just spray and wipe or dilute, spray and wipe.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CCG5	Progleem	5L	4	0.03	20

Colour Coded Progleem is an effective ammoniated streak free window cleaner. Simply spray on and wipe off glass, mirrors, stainless steel and chrome. It is blue liquid. Available in 5, 20 or 200 litres.

16530	Window Spray & Wipe	5L	2	0.02	10
-------	---------------------	----	---	------	----

Window Spray & Wipe is our premium quality, ready to use multi purpose spray cleaner, fast drying streak free and is a green liquid.

17558	Window Cleaner Concentrate	5L	2	0.02	10
-------	----------------------------	----	---	------	----

Window Cleaner Concentrate combines a high performance solvent system with the power of ammonia, guaranteeing a streak-free finish every time. Window Cleaner Concentrate is easy and safe to use.

## Air Fresheners

These products offer high performance odour elimination and suppression. They will freshen the air, carpets and receptacles and are designed for use in health care, accommodation, offices, retail, education and aged care.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
OB5	Odour Ban	5L	4	0.03	20

A carpet and room deodorant designed to remove putrid odours from rooms, carpets and fabrics. Excellent prespray before carpet extraction or added to the solution tank.

17524	Refine	5L	2	0.02	10
-------	--------	----	---	------	----

Refine is a high quality, residual air freshener/deodoriser that masks unpleasant odours and leaves an elegant long lasting floral fragrance. Refine may be used neat or diluted, depending on the application. It can be sprayed into the air or applied to fabric.

17024	Floral Mist	5L	2	0.02	10
-------	-------------	----	---	------	----

Floral Mist is a high performance odour suppressant designed to control difficult odours in hospitals, nursing homes, hotels and motels. Floral Mist has a delicate floral fragrance with outstanding lingering ability. It can be sprayed into the air or onto most fabrics.

7232205	Rainshower	5L	2	0.02	10
---------	------------	----	---	------	----

Rainshower is an effective, long lasting air freshener and deodorant that is particularly effective against tobacco and incontinence smells. Rainshower leaves a fresh, lingering rainforest fragrance.

## Stain Removal

These remedial cleaners ensure your walls toilets bathrooms and urinals are free of scale, encrustation, soap scum, stains mould and graffiti.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
16508	Powdered Stain Remover	500g	6	0.01	3

A high performance, special purpose foaming destainer that actively removes stubborn stains, kills mould, and sanitises. It is safe for use on all nominated surfaces; it will not scratch like some other powdered cleansers. Powdered Stain Remover rinses freely, leaving no residues. Soils and stains are simply and easily wiped away. Available in 500g or 15kg.

16542	Easy Cream Cleaner	5L	2	0.02	14
-------	--------------------	----	---	------	----

Easy Cream Cleanser quickly removes caked on soils where other cleaners struggle. Easy is quick to penetrate, free rinsing and is non scratching. Contains emollients so is easy on the hands with a pleasant citrus fragrance. Available in 750ml or 5 litres.

17608	Gel Stain Remover	5L	2	0.02	10
-------	-------------------	----	---	------	----

A thickened, liquid chlorinated cleaner specifically formulated to sanitise while quickly and effectively removing mould and stubborn stains. Gel Stain Remover is safe to use on tiles and grouting, concrete, stainless steel and most hard surfaces. Contains 3.6% available chlorine.

CCB5	Probleach	5L	4	0.03	20
------	-----------	----	---	------	----

Powerful chlorine based product. Quickly cleans and sanitises kitchen areas, bathrooms, toilets and drains. Agriquality approved under code C 41. Available in 5, 20 or 200 litres.

6428205	Rose Lotion	5L	2	0.02	10
---------	-------------	----	---	------	----

A high quality hand cleanser designed for frequent use. It contains skin moisturising agents and is a pink pearlescent viscous liquid.

## Bathroom - Tissue

Soft and economical toilet tissue in a standard roll size.

Code	Product Name	Rolls P/Pk	Inner (Rolls)	Ctn M <sup>3</sup>	Ctn KG
SC2250	Soft 'n' Clean - 250 sheet	48	4	0.05	7
SC2400	Soft 'n' Clean - 400 sheet	48	12	0.05	7

Soft and economical toilet tissue in a standard roll size.

We can also supply your tissue needs with these high profile brands.

## Sealers & Low Speed Polish

Our range of low speed polishes are designed to protect and enhance all types of floors as well as reduce the risk of slip, no matter what the maintenance frequency.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
EAS1	Acrylic Sealer	4L	4	0.03	16
<p>Acrylic Sealer is designed to penetrate level and seal porous floors such as concrete, terrazzo and old, over-stripped resilient floors. Ideal for sealing vinyl asbestos tile to comply with EPA guidelines. Acrylic undercoat-sealer will not colour with age. UL classified as to slip resistance. 17% solids. </p>					
CDF4	Floor Oil	5L	4	0.03	20
<p>Recommended for older timber floors in need of sealing. Dries to a natural look. </p>					
PROSHINE5	Proshine	5L	4	0.03	20
<p>Professionals use this polish for areas where regular stripping and recoating is required or where regular maintenance is not possible. The floor will hold up well to long term wear. Proshine is economical, provides a glossy finish and has excellent long term durability. Recommended for schools, canteens and retail shops. 16% solids. </p>					
ED	Durabrite	4L	4	0.03	16
<p>Special polymers, polyethylenes and resins produce an incredibly durable film designed for no-buff or spray buff systems. The hard nature of this finish provides exceptional lay down gloss in addition to outstanding scuff, heel mark and dirt resistance. Perfect for classrooms, patient rooms, etc. UL classified as to slip resistance. 18% solids. </p>					
216FF	Pureshine 25	4L	4	0.03	16
<p>Pureshine 25 is a high solids floor finish that offers greater protection to floors with fewer coats. It has remarkable lay down gloss, exceptional long-term gloss and wear, resists marks and cleans up and repairs well. This low maintenance, scuff-resistant formula is ideal for areas where frequent buffing is not performed. Use in schools, offices, hospitals, retail stores and lobbies. UL classified as to slip resistance. 25% solids. </p>					

## High Speed Polish

Our range of UHS polishes are designed to make it simple to protect and enhance all types of floors with a minimum of labour and maximum slip resistance.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
274FF	Eccothane	4L	4	0.03	16

A premium water-based urethane-fortified floor finish that's tough, mark-resistant, fast-drying and exceptionally glossy. This easy-to-repair finish is versatile enough to be used with all floor care systems: non-buff, spray buff, high speed and ultra high speed burnish. Great for use on all resilient and non-resilient flooring. UL classified as to slip resistance. 18% solids.

EST1	Stonethane	4L	4	0.03	6
------	------------	----	---	------	---

Tough urethane formula protects stone and concrete floors from wear and simplifies maintenance. It has excellent chemical resistance and responds well to high-speed buffing. Use on concrete, terrazzo, pavers, brick, unglazed ceramic, slate and resilient tile floors. 17% solids.

ES1	Silhouette	4L	4	0.03	16
-----	------------	----	---	------	----

This advanced floor coating uses high molecular weight urethane, acrylic polymers and high-density cross-linking to produce a plastic shield that resists scuffs, scratches, black marks and dirt. Its unique durability produces a wet-look shine that lasts longer between maintenance cycles for maximum productivity. UL classified as to slip resistance. Premium reduced maintenance finish for ultra high speed burnishing. 18% solids.

287FF	Solaris	5L	4	0.03	20
-------	---------	----	---	------	----

Solaris uses proprietary XL(2)<sup>™</sup> polymer technology for extreme gloss, excellent wear properties and extended life through a dual cross-linking system. The high solids content means greater protection and greater gloss with fewer coats. Slip-resistant - UL classified.

222SF5	Sport Kote	5L	4	0.03	20
--------	------------	----	---	------	----

Sport Kote Urethane Wood Finish contains reactive polymers that offer durability and appearance equal or greater than oil-modified products. Excellent black mark, scuff and soil resistance. Only 24 hour gym down time. Uniquely restorable with high speed buffer.

## Strippers

Quality selection of strippers offering features to save labour, reduce scrubbing and rinsing.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
2911FX	Annihilator	4L	4	0.03	16

Extremely active (over 40%), aggressive stripper for use on the toughest strip-outs. Annihilator eliminates, or greatly reduces, the need for machine scrubbing with its powerful formula. Strong enough to remove multiple layers, build-up or highly burnished finish. Low-foam for easy application with automatic-scrubbers.

SO5	Strip Off	5L	4	0.03	20
-----	-----------	----	---	------	----

Strips all finish without leaving a film or residue. This no-rinse stripper is designed to strip heavily burnished floors with minimal effort. It removes all finishes and seals as easy as 1-2-3. Just mop down, agitate, pick-up and you're ready to recoat. This stripper leaves no alkaline residue and does not require a neutralizing rinse because it evaporates completely after use.

ESS1	Super Stripper	4L	4	0.03	16
------	----------------	----	---	------	----

A high alkaline, solvent/caustic-containing stripper that cuts through tough floor finish films with ease. Super Stripper is powerful enough to remove multiple layers, build-up or highly burnished finish. Its low foam formula makes for easy application with automatic-scrubbers. Dilutes 1:4.

## Cleaners

Get fast, streak free results from your floor with these effective cleaners.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CC407E	407E	5L	4	0.03	20

Excellent heavy duty neutral cleaner providing a streak free result on even the dirtiest of floors. It will easily remove oils, clay, silt and sand. Is low foaming for use in mop and bucket or auto scrubber. Available in 5, 20 or 200 litres.

CCRM5	Respond	5L	4	0.03	20
-------	---------	----	---	------	----

Respond Maintenance Cleaner is a neutral floor cleaner that quickly removes grease and oil from polished and resilient floors. Available in 5, 20 or 200 litres.

17826	Natureclean	5L	2	0.02	10
-------	-------------	----	---	------	----

Revolutionary economical cleaner that is tough on soils and kind to the operators and environment. Safe and effective neutral pH cleaner. Agriquality approved under code C 32. Available in 5 or 15 litres.

16552	New Ease	5L	2	0.02	10
-------	----------	----	---	------	----

Solvent based hard surface cleaner formulated to remove the toughest soils. Economical and effective in dirty and difficult to clean areas.

## Maintainers

Maintain glossy clean and slip resistant floors with these highly effective cleaning and maintenance products.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
EGEL	Gelcon	900ml	6	0.02	5.4

This viscous gel restorer contains natural citrus solvent to clean and shine all types of flooring, including marble, terrazzo, vinyl and rubber. The product works in single pad or dual pad maintenance systems. Ideal for use with 1,000+ rpm machines. Coverage is outstanding - up to 50,000 square feet per quart. UL classified as to slip resistance. 

EMS1	Mop N Buff	4L	4	0.03	16
------	------------	----	---	------	----

Mop N Buff is a labour-saving restorer that is just mopped down and buffed when dry. It deep cleans, repairs and shines all finished floors to extend their life without build-up. It's neutral pH chemistry does not affect floor finish when recoating. Mop N Buff also works as a spray buff. UL classified as to slip resistance. All system restorer (175-3000 rpm). Cleans without solvent. 

ECS1	Citrus Scrub N Shine	4L	4	0.03	16
------	----------------------	----	---	------	----

For cleaning and restoring in one labour saving step using an auto-scrubber or mop bucket. This restorer does not contain polymers that can build-up and trap dirt on floors. Rather, it contains a unique combination of surfactants and citrus solvents that lift embedded dirt and scuffs while leaving floors sparkling clean. Perfect for high speed systems. UL classified as to slip resistance. 

## Carpet Care

These carpet cleaning products have been specifically formulated for removal of stains based on their nature. There is a product to suit all applications.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG	
SS5	Super Shot	5L	4	0.03	20	
A high performance hot water carpet cleaning extraction concentrate, prespray and general spotter. Supershot is effective on both wool and man made fibres. Available in 5, 20 or 200 litres.						
RE5	Release	5L	4	0.03	20	
Release is a concentrated blend of emulsifiers and solvents designed to break up heavy accumulated food and beverage deposits and will release many potential stains before extraction or shampooing.						
D5	Defoamer	5L	4	0.03	20	
A silicone based defoaming agent for use in carpet cleaning and wet pick up vacuum recovery tanks to provide a long lasting defoaming effect.						
OB5	Odour Ban	5L	4	0.03	20	
A carpet and room deodorant designed to remove putrid odours from rooms, carpets and fabrics. Excellent prespray before carpet extraction or added to the solution tank.						
BRO5	Brown Out	5L	4	0.03	20	
Formulated to remove most browning and watermark stains on carpets and upholstery due to wetting or flooding.						
CS5	Coffee Spot	5L	4	0.03	20	
A low pH spotter used to neutralise alkaline spotters, such as Protein Spot as well as assisting in the removal of tannin based products such as coffee, tea, red wine, fruit juice and urine.						
PS5	Protein Spot	5L	4	0.03	20	
Specially designed to remove protein based food spots, some medicines, soft drinks and blood.						
GR5	Grease Release	5L	N/A	N/A	N/A	 
A high performance multi purpose grease spotter for the effective removal of surface oil, tar and petroleum based stains on carpets prior to cleaning.						
7224205	Super Solv	5L	2	0.02	10

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
7221015	Powerfresh	15KG	1	0.03	15

Powerfresh laundry powder is a highly active laundry powder suitable for both hot & cold water in top and front loading machines. It has a pleasant lemon fragrance and comes 3x5kg inners.

17562	Blue Brite	5L	2	0.02	10
-------	------------	----	---	------	----

Blue Brite laundry liquid is a premium liquid detergent that gives outstanding results in both hot & cold water. The advanced cleaning system removes the heaviest soils while making colours brighter and whites whiter.

17412	Blue Brite	8KG	N/A	N/A	N/A
-------	------------	-----	-----	-----	-----

Blue Brite laundry powder is a highly active powdered laundry detergent with a pleasant floral fragrance. It is safe in front and top loading machines. Optical brighteners in the formulation will guarantee a brighter whiter result. Available in 8 or 20kg.

CCB5	Probleach	5L	4	0.03	20
------	-----------	----	---	------	----

Probleach is a powerful bleaching agent to sanitise and whiten cotton fabrics. Agriquality approved under code C 41. Available in 5, 20 or 200 litres.

## Manual Detergent

Manual dishwashing needn't be a chore with our range of neutral, bio degradable, free rinsing detergents.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CLHFSD5	Hifoam	5L	4	0.03	20
A concentrated economical pot wash detergent. Highly effective, it is ideal for all catering and general applications. Fresh lemon scent. Available in 5, 20 or 200 litres.					
PO5	Propol	5L	4	0.03	20
Designed for sensitive skin because it contains no colours or perfumes. Mild on hands and gentle on skin, it still contains effective grease cutters and produces excellent cleaning capacity while minimising damage to sensitive skin. Agriquality approved under code C 31. Available in 5 or 20 litres.					
CCBR5	Probrite	5L	4	0.03	20
Concentrated general purpose lemon detergent for manual washing of dishes and general cleaning. Available in 5, 20 or 200 litres.					
16334	Emmy	5L	2	0.02	10
Highly concentrated detergent, effectively removes grease with a pleasant citrus fragrance to help eliminate odours. Contains skin emollients to reduce skin irritation.					

## Machine Detergent

Our range of warewash chemicals are designed to keep your crockery, cutlery, glassware and utensils sanitised, clean and free from spotting.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CLCDD5	C.D.D.	5L	4	0.03	20
A high strength alkaline commercial dish machine detergent. It is designed in New Zealand for dishwashers and glasswashers. It is non-chlorinated, so is safe for plastic fittings in some machines. Available in 5, 15, 20 or 200 litres.					
7683205	Proclean	5L	4	0.03	20
A soft metal-safe, non-chlorinated detergent designed to work in all water hardness conditions. Effectively removes soils from all types of wares and does not leave a residue.					
7686205	Ultraclean	5L	4	0.03	20
A super-concentrated detergent that provides the ultimate in performance and economy. It effortlessly decolourises stains and removes food soils from all type of wares. The advanced formula tolerates any water hardness level, preventing scale forming on wash arms, inside jets and on wash walls. Encapsulated system reduces risk when handling.					
7316304	Ultimate	5L	4	0.03	20
A super-concentrated chlorinated warewashing powder designed to give the ultimate in economy and results. It cleans and destains in one action and may be used in single tank or conveyor based washers in both hard and soft water conditions.					
PC1357	Chlorsan DW	5L	4	0.03	20
A premium quality chlorinated warewashing powder formulated to provide outstanding results and economy. The non-caustic formula removes the toughest food soils and stains, leaving crockery and cutlery squeaky clean.					
7286402	Dishwasher Detergent	5L	2	0.02	10
A free flowing detergent powder designed for use in domestic style dishwashing machines. Safe for use with crockery, glassware, stainless ware and gives streak free drying.					

## Rinse Aids

Our range of rinse aids are designed to keep your crockery, cutlery, glassware and utensils free from water spots and to dry quickly.

Code	Product Name	Pack Size	Ctn Qty	Ctn M <sup>3</sup>	Ctn KG
CLRA225	R.A. 22	5L	4	0.03	20

R.A. 22 is a premium quality commercial rinse aid designed to provide sparkling clean results in all water conditions. It is dark blue in colour. Available in 5, 15, 20 or 200 litres.

7689205	All Dry	5L	2	0.02	10
---------	---------	----	---	------	----

A super-concentrated rinse additive designed for fast throughput warewashing machines. It ensures that china, glassware, plastics and silverware dry quickly and spot free in all water hardness conditions. Comes in an encapsulated bottle reducing risk when handling.

7692205	Flash Dry	5L	2	0.02	10
---------	-----------	----	---	------	----

Blue Brite laundry powder is a highly active powdered laundry detergent with a pleasant floral fragrance. It is safe in front and top loading machines. Optical brighteners in the formulation will guarantee a brighter whiter result. Available in 8 or 20kg.
